Free Book! Developmental And Destructive Groups

Jun 11, 2024 — in Publications

"Typology: two innate types of thinking – developmental and destructive" is a book we first wrote in 2020. Now we have decided to translate it into English and make it free and available to anyone interested in such topics. This book describes what causes war and more.

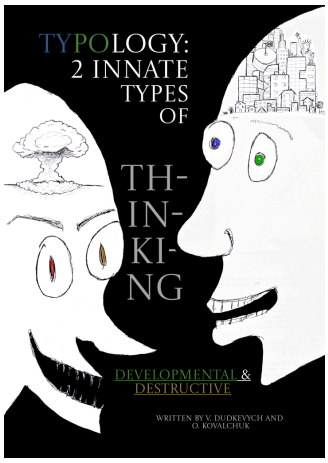
Why do some people have an innate desire to build and develop?

While some others take pleasure in creating chaos and destruction…

It is these and not only these questions that are raised throughout the narrative in this book. Also, we have added some refinements and small changes to it due to the new information we have been able to research over the past few years. You are free to download this book, read and distribute it by any method with attribution. In addition, we are not against translating this book into other languages, as long as such translation does not violate the structure and meaning of this book.

You can read this book and download it for free at this link on our website:

Typology: Two Innate Types Of Thinking – Developmental And Destructive



In 2020, we wrote and published this book for the first time. Since then, we have discovered even more interesting and more specific patterns in the relationships of different groups of people. But the basis that some people are created to develop this world and others to destroy it remains the same. In the same … Continue reading
